everybody gets it...

‘The Workman’s Friend’

‘When things go wrong and will not come right
Though you do the best you can When life looks
black as the hour of night A pint of plain is your
only man

When money’s tight and hard to get
And your horse has also ran
When all you have is a heap of debt
A pint of plain is your only man

When health is bad, your heart feels strange
And your face is pale and wan
When doctors say you need a change
A pint of plain is your only man

When food is scarce and your larder bare
And no rashers grease your pan
When hunger grows as your meals are rare
A pint of plain is your only man

In time of trouble and lousy strife
You have still got a darling plan
You still can turn to a brighter life
A pint of plain is your only man’
